

IMPORTANT

Dear Customer,

We appreciate your support and trust in our products. We have worked hard to create high-quality digital files for your personal use.

However, we must remind you that these digital files are being tracked and resale or distribution of these files is strictly prohibited and will lead to legal action.

Important Notice:

- **Resale Prohibited:** You are not permitted to resell or distribute our digital files in any form, whether modified or unmodified, without prior written consent from Be Bright India.
- **Personal Use Only:** These digital files are intended for personal use only. Any commercial use, including but not limited to selling, licensing, or distribution, without proper authorization is strictly prohibited.
- **Copyright Protection:** All digital files provided by Be BRight India are protected by copyright laws. Any infringement of these rights will be taken seriously and may result in legal action.
- **License Agreement:** Please review and adhere to the specific license agreement provided with each digital file. This agreement outlines the terms and conditions for using our products.
- **Accountability:** Customers who violate these terms will be held accountable for any legal consequences, including but not limited to fines, penalties, and legal fees.

Thank you for your understanding and cooperation. We hope you continue to enjoy our products for your personal use, and we appreciate your respect for our intellectual property rights.

Sincerely,

Be Bright India
